

I am outraged that
Sinclair
Broadcasting is
airing a blatantly
anti-Kerry film on
the public airwaves.
Your job is to
regulate the media
so that it is not
the tool of one
political party and
so that the public
is served
appropriately.
There is nothing
appropriate about
this.

We need media that
give us an
independent and fair
view of what is
happenng so that we
can decide for
ourselves. Only
such an independent
media seves
democracy. If you do
not stop this film,
you will have failed
at your jobs and
harmed our nation.
You should remove
Sinclair's
broadcasting license
if they do not
cooperate!
